

LEO CORONA FOR MAYOR

Leadership • Transparency • Community

Gatesville, Texas

8 August 2026, Open Letter

Thank You

To those of you who live outside the Gatesville city limits and are unable to vote in the municipal election:

Thank you.

Your support means more to me than a vote. The fact that you have taken the time to listen to me, get to know me, and express your trust and confidence in me is something I will never take for granted.

If you know someone who lives within the Gatesville city limits and can vote in the mayoral election, I simply ask that you encourage them to speak with me. Give me the opportunity to listen to them, answer their questions, and share why I believe Gatesville deserves leadership that is present, accountable, and willing to listen.

I believe that, by the end of that conversation, they will understand why you have honored me with the confidence you have placed in me.

From the bottom of my heart, thank you for your encouragement, your trust, and your friendship.

Forever grateful,

Leo Corona

**Gatesville Citizen of the Year 2025
Candidate for Mayor of Gatesville**
